avalonschool@vastbb.net

Attention: Avalon School of Cosmetology students,

We have recently received notice that we will be receiving a grant from the Department of Education to provide monetary emergency assistance to our students who are in need. This money will be free and non-taxable to students. Students may apply for this grant by filling out the Student Income/Expense Comparison Form. The school shall review the results to determine the student's need for CARE assistance. If you have a special circumstance that you would like to discuss, please call the school at 507-372-2344.

In good faith, Avalon School of Cosmetology will be issuing \$300 checks within 48 hours of your start date to each student as this COVID-19 pandemic has certainly affected everybody. There is a statutory requirement, however, that these grant monies be used by the student to cover expenses related to the disruption due to COVID-19. This includes eligible expenses Room and Board, Personal miscellaneous and Transportation expenses.

Avalon School of Cosmetology is providing you with a form to use to apply for additional assistance. This additional assistance will be available for all active students who show a NEED for CARE assistance.

We hope everyone is doing well and please let us know if you have ANY questions about this student grant.
